

2018–2019 Verification Worksheet-V1

The Department of Education selected your 2018-2019 Free Application for Federal Student Aid (FAFSA) for a process called verification. Federal law states that before disbursing Federal Student Aid, we must confirm the information reported on your FAFSA. To verify that you provided correct information, the Academy of Art University will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information is on the FAFSA must complete, sign and submit this worksheet and any required documents to our financial aid office as soon as possible so that your financial aid does not get delayed. We may ask for additional information. Please note, corrections after verification may change your financial aid awards.
